CHAIRMAN'S REPORT - August 2017

Welcome to the August 2017 edition of the parish magazine. I hope you will enjoy reading it and that it keeps you informed of the work of the Parish Council and events taking place in our community.

I must at this point thank my fellow Councillors for re-electing me to serve as the Parish Council Chairman during 2017/18. It is a pleasure and a great honour to perform the role. However, I couldn't undertake the role without the support of my Vice Chairman, Clive Booth, and all of the other Councillors. I hope that we can continue to provide as many quality services for residents as possible.

The new Car Park provided on Cromford Road is very well used and the feedback from shoppers and businesses has been extremely positive. The car park is open 9am to 6pm on Mondays to Saturdays and has the added security of CCTV monitoring. Shoppers and residents may park free for three hours.

Summer is now upon us so I am looking forward to meeting some of you on the family coach trip to Mablethorpe this month. I am also pleased to announce that by popular demand the Council will be organising a pre-Christmas trip. Details of this coach trip will be announced in September.

Summer is also a time of flowers, and once again we have organised some beautiful floral displays on the lamp posts throughout the village, I'm sure you will agree they really bring a touch of colour to the area.

As I promised in the last magazine, the Council has launched a new website to keep residents up to date. The new website address is www.almpc.co.uk and having listened to resident's feedback, our e-mail address has been shortened to a more memorable version and you can now contact the council at 'clerk@almpc.co.uk'. All of these initiatives cost money and I am pleased to announce that the Parish Council, through restructuring and sound financial management has announced a surplus in its accounts for the second year running. This surplus means that we have some additional money to invest in services in the coming year, and we would be pleased to receive any views of residents as to what initiatives we should support. Full details of our accounts can be found on the facing page.

Don't forget to call in and see our new offices at the Langley Mill Business Centre – It is just down the road from our old accommodation. We are now pretty much settled and the offices are open from 9 am until 1 pm - Tuesday to Thursday. You will find our staff both friendly and approachable.

To finish, I would like to wish all residents of Aldercar and Langley Mill, a lovely relaxing and safe summer.

Cllr Mick Fowkes
Chairman

CiLCA AWARD FOR CLERK

Aldercar & Langley Mill Parish Council is pleased to announce that its Clerk has been awarded the Certificate in Local Council Administration, which is a qualification recognising competence.

At the Council Meeting held on 22nd June 2017, the Chairman, Councillor Mick Fowkes, congratulated the Clerk, Andrew Sharpe, on behalf of the whole Council.

The Council is proud to support all of its employees in their training and development requirements.

WELCOME TO OUR NEW COUNCILLORS

Councillors David Palmer and Miss Heather Smith, who have recently been co-opted, are welcomed as Members of the Parish Council.

A further vacancy still remains for a member. Please see page 2 of this magazine for details.

A FREE Pantomime
7.00pm, 19th December 2017
St Andrew's Church

TURN AGAIN, WHITTINGTON!

For the sixth time since 2012, the local LM&ACRC charity has announced that it will once again be sponsoring a **FREE** Christmas pantomime for residents of the Parish.

As usual, it will take place at St Andrew's Church, this time at **7.00pm on Tuesday, 19th December 2017.**

It will once again be performed by the respected travelling theatre group, Every Cloud Entertainments (previously known as Fame Factory Spotlight).

We have 180 tickets available and these will be given free to residents of the Aldercar & Langley Mill Parish upon application.

HOW TO APPLY:

To apply for your free tickets please complete the application form on the facing page and return it to A&LMCRC, Panto, 29-31 Cromford Road, Langley Mill, Notts. NG16 4EF.

Alternatively, you may telephone 07721-036906 or e-mail to the address below.

lmacrc@hotmail.co.uk

IMPORTANT: Please include all the information requested on the application form overleaf in your phone or e-mail application. The organisers reserve the right to refuse ticket applications once all 180 tickets have been allocated.

N.B. Please do not apply for the free tickets unless you intend to use them as you will deprive people who genuinely want to see the pantomime of the opportunity.

DEADLINE for receipt of applications is the **30th November 2017**

RESTRICTIONS

Applicants must reside within the parish of Aldercar & Langley Mill. No unaccompanied children below the age of 14 years will be admitted.

PANTO TICKET APPLICATION FORM

Please complete the form below for your FREE pantomime tickets and send it to the address on the application (or phone or e-mail with the same information).

This brand-new pantomime is guaranteed to deliver every element of the fun and enjoyment you have come to associate with an 'Every Cloud Entertainments' productions.

All the traditional panto characters can be found in this incredibly funny pantomime, from the larger-than-life Dame to the hilarious comic – and not forgetting the lovely Alice and the love that blossoms between her and Dick Whittington. This pantomime offers everything for both boys and girls - action, adventure and a sprinkling of romance along with modern, up to date songs you can sing along with and a script to which all ages will relate. Clear, straight forward and full of nonstop fun. A great show for all the family!

WHEELS OF TIME II

Following on from our article in the last issue of this magazine, which looked at how wheels have influenced the development of Langley Mill, we bring you here the story of another Langley Mill company that relied on wheels to keep the business running.

Unusually, we start the story at the end for it begins with the sad news that the sudden passing of Mr Ray Colson in February of this year, brought to an end a long association of a family haulage business with the village. That business was Colson's Transport which readers will no doubt recall operating out of premises on Edward St.

We are grateful to Mr Stephen Colson and Vintage Roadscene magazine for allowing us use some of Stephen's recollections recently published in the magazine.

Colson's Transport was established in 1939 as a family haulage business by C.H. 'Mac' Colson providing a general haulage and taxi service to the local area. At the end of the World War II, both Stephen's father, C.D. 'Robin' Colson, and his uncle, F.R. 'Ray' Colson joined the business adding the supply of solid fuels and aggregates to local households to the company's services.

In the early sixties, the fleet consisted of a number of the ex-War Department, flatbed Bedfords, which were used for delivering coal in the local area, a number of 4 wheel Albion Chieftain tipper lorries and a single 6 wheel Albion Reiver flatbed. The tippers were engaged mainly in the transport of coal and aggregates for the local businesses.

The arrival of a brand-new Albion 'Super Six' Chieftain 4-wheel tipper in the early sixties was to see a small expansion in the fleet. The new Albion tipper was used to deliver tarmac and pig iron from the Stanton Iron Works. This was followed by a new 4 wheel Bedford tipper in the livery of the local Manners brickworks in Eastwood, then in 1965 a new 6 wheel Albion Reiver also joined the fleet to be mainly engaged in the delivery of iron pipes from Stanton Iron works.

The founder of the company, 'Mac' Colson, passed away in 1973 and his son Robert took over the running of the company with his uncle, the recently deceased, Ray Colson. The business continued to trade until the early 1990s when, sadly, it closed and all the vehicles were sold.

The name of Colson, however, lives on in the local area following the establishment of a new business, similarly named Colson Transport that operates out of Heanor. This business, which is run by Alan Colson and his son, Ryan, concentrates on waste disposal, skip and grab hire and road sweeper hire.

All Stars Cricket initiative

AT THE CREASE

What's happening at LMUCC?

ALL STARS CRICKET

Langley Mill United Cricket Club are delighted to be acting as a centre for delivering All Stars Cricket, an ECB initiative to get 5-8 year old children interested in cricket through fun activities.

LMUCC's 'Activator' for the programme, Mick Parr, volunteered to run the eight-week programme. All the children participating are really enjoying the experience, getting active and most importantly, having fun.

JEFFREY WHARTON DAY

On Sunday 28th May, Langley Mill United Cricket Club came together to pay respects to, and celebrate the life of, Jeffrey Wharton.

Jeffrey was an Australian cricketer who touched the lives of everyone lucky enough to have known him.

He will be sorely missed, but fondly remembered, as a cricketer and friend to players and members alike.

In his honour, a tree was planted in the grounds of the club, followed by a friendly (and highly entertaining) game of T20 cricket.

The excellent day was topped off with live music and lots of toasting to Jeff.

THE PENTRICH RISING WALK

Walkers at the Great Northern, Langley Mill

Two hundred years ago, on the night of the 9th/10th June 1817, a band of men, probably around 200 or so, and lightly armed with pikes, scythes and a few guns turned up at the Navigation Inn at Langley Mill. They were on a march to Nottingham, intent on over-throwing the Government of the day.

This was the Pentrich Rising, an intended 'revolution' that had started the evening before at South Wingfield.

The Rising had been some time in planning and when the plotters were given news that another revolutionary force was on the march from the north, it proved the catalyst needed to set their own Rising in motion. Unfortunately, the information about the other march was false, having been fed to them by a spy in their midst, and the men were about to set off on a march to disaster.

Around fifty men initially set off from South Wingfield, but they swelled their numbers to 200 or more by stopping off at farmsteads and hostleries, seeking recruits and armaments.

The march brought the men through Langley Mill with the Navigation Inn (now the Great Northern) being one of their stopping points.

They went on from there to Giltbook where a small group of Hussars (light cavalry soldiers) and a couple of magistrates were waiting for them. The marchers were ill-organised, being described as little more than a rabble by some who watched them pass, and when confronted by just twenty soldiers, for that's all there were, they scattered in an attempt to escape. About 40 were captured, with more being arrested in the months following the event. Three of the ring-leaders were hanged and another 23 participants sentenced to deportation for either 11 years or life.

On June 4th this year, the Pentrich & South Wingfield Revolution Group, staged a walk that traced the route of the marchers all the way from their starting point in South Wingfield to the march's disastrous end at Giltbrook. They stopped off at the various hostleries along the way, where the original marchers had also stopped. On this and the page following are a few photographs of the marchers.

The Parish Council has worked with the Pentrich & South Wingfield Revolution Group to ensure that a reminder of those events from 200 years ago will be erected in the village. An information board, giving more facts about the Rising will be installed on Derby Road, near to the Great Northern.

The Parish Council is committed to helping local organisations thrive and is proud to support them.

STAYING SAFE ONLINE

Aldercar and Langley Mill Parish Council is committed to promoting safe and responsible use of the internet, particularly where young people are concerned. We set out below some advice to parents on the apps our children may be using.

Instagram - an online mobile photo sharing, video sharing and social networking service which enables its users to take pictures and videos and share them on a variety of social networking platforms. You are required to be at least **13 years old** before you can create an account.

Facebook- a social networking site. You are required to be at least **13 years old** before you can create an account.

Whatsapp – An instant messaging app for smartphones. The user agreement requires users to be **age 16 or older**. Children are often creating 'groups' to which others are joining. This means that all information is shared with anyone who is in the group, so privacy is lost and in some cases strangers may be added to the group.

Snapchat – photo and video sharing. Users must be **13 years old** before you can create an account.

We understand that it is increasingly difficult to keep up with the ways that our children are using new and ever-changing technologies. Websites such as Facebook, Instagram, Skype, Whatsapp and Snapchat, to name but a few, offer fantastic opportunities for communication and social connections, however they are created with their audience in mind especially which are specifically for those over 13 years old.

We encourage you to monitor your child's use of their phone and other technologies and when monitoring your son/daughter's internet use, please remind yourself of the concerns about social media:

- Many sites use 'targeted' advertising and therefore your child could be exposed to adverts of a sexual or other inappropriate nature, depending on the age they stated when they registered. They may have lied about their age to get an account, making them appear older than they are, increasing this risk.
- Young people may accept friend requests from people they don't know in real life which could increase the risk of inappropriate contact or behaviour. The general rule is, if they aren't friends in real life, they shouldn't be 'friends' online.
- Language, games, groups and content posted or shared on social media is NOT moderated, and therefore can be offensive, illegal or unsuitable for young people.
- Photographs shared by users are NOT moderated and therefore young people could be exposed to inappropriate images or even post their own.

- Underage users might be less likely to keep their identities private and lying about their age can expose them to further risks regarding privacy settings and options.

- Social media sites can be exploited by bullies and for inappropriate contact.
 - Social media sites cannot and do not verify its members, therefore, it is important to remember that if your son/daughter can lie about who they are online, so can anyone else.
- Should you decide to allow your child to have an online profile we strongly advise you check their profile is set to private and that only their friends can see information they post. You should monitor your child's use and talk to them about safe and appropriate online behaviour such as not sharing personal information and not posting or messaging offensive

/inappropriate messages or photo's.

Please make sure your son/daughter understand the following rules:

- Always keep your profile private.
- Never accept a friend you do not know in real life.
- Never post anything which could reveal your identity including photographs wearing school uniform where possible.
- Never post anything you wouldn't want your parents or teachers to see
- Never agree to meet somebody you only know online without telling a trusted adult.
- Always tell someone if you feel threatened or someone upsets you.

We recommend that all parents visit the CEOP Think U Know website for more information on keeping your child safe online www.thinkuknow.co.uk. www.net-aware.org.uk and www.getsafeonline.org

THOMAS NORMAN GARDENS

In the last issue of this magazine we informed you that after a long delay, work would soon commence on the renovation of the Thomas Norman Gardens off North Street. Yet here we are, three months down the line, and still the work hasn't commenced.

The Council members are as angry and annoyed as you must be about this continued delay, bought about by broken promises. You may rest assured that we will continue to exert pressure to ensure the promised work is completed to everyone's satisfaction.

LANGLEY MILL CHURCH OF ENGLAND INFANT SCHOOL AND NURSERY

So here we are again, drawing to the end of another very exciting and busy year in our wonderful little school and what a fun-filled, action packed year it has been!

Starting in September we welcomed our 30 new starters into the Marvellous Moles class, with lots of visits and workshops for parents and carers to ensure the children settled well into their first year of full time schooling. They've all worked so hard and are looking forward to moving into Year 1 in September.

We continued to have very close partnerships with our local Churches this year, visiting them each term to learn about and celebrate the main Christian festivals of Harvest, Christmas and Easter. Our year ended at St Andrew's Church, where all of our Year two children moving on to the juniors were presented with a children's Bible for them to keep to remind them of their time here at our Christian faith school.

Charity fundraisers have featured highly throughout the year as pupils, staff, parents and governors raised money for those less fortunate than themselves. Our cake stall in aid of MacMillan Cancer research sold out of sweet treats very quickly, due to our talented staff and parent bakers, and our bear themed day raised lots of money for Children in Need as well as being lots of fun sharing bear stories! Our annual Valentine's fundraiser, with a love themed red and pink day, raised over a hundred pounds for Headcase Cancer Trust in memory of Mrs Speirs, an ex-teacher of our school who sadly passed away a few years ago. This certainly put us all in the mood for love as well as serving as a reminder of a much-loved lady and her impact on our school community.

Our focus on reading has remained a priority this year, with National Poetry Days celebrated in the autumn and spring terms, National World Book day in March and Aldercar cluster 'extreme reading' and 'passport to reading' competitions ongoing throughout the year. The children loved reciting poems to each other and sharing a range of stories throughout the year and their 'extreme read' photograph ideas were very creative for our whole school display.

Sport has featured heavily throughout the year and selected children have attended a number of sporting competitions with dance platforms each term, athletics and invasion games in the autumn,

striking and gymnastics events in the spring term, football tournaments in the summer and an 'ACES' day in May (All Children Exercising Simultaneously). All children will get to showcase their physical talents in our end of year competitive Sports' Day which is always a fantastic event, with crowning of the best Year 2 high jumper as the grand finale!

Our concerts have as always have been highly praised and this year was no exception. Our collection event for the Langley Mill food bank coincided with our autumn Harvest Festival and the children loved telling their parents all about the harvesting time of year through songs, dances, poems and stories. In the Spring, our Easter Concert was packed to the rafters and everyone was amazed at the entries into this year's 'Butterfly' competition. What a creative group of children, parents and staff we have! And our Spring Fayre, with hook-a-duck, cakes, tombolas, adopt an Easter animal, refreshments and gifts ended a super term. Christmas was, as always, a special time of year, with a wonderful Nursery nativity play and school Christmas concert based around the colours of Christmas. We even had parents of children who have now left the school returning to spectate as our concert is renowned for being a spectacular event!

Anti-bullying work has been a thread running through all areas of school life all year and our annual Anti-bullying week in November began a year of celebrating being different using the local author story 'Dandelion Blue'. The children have learned lots about how they are all special and unique and that it's ok to be different. We hold Derbyshire County Council's Anti-bullying STOP Award which confirms our quality and effective work around anti-bullying.

Our home-school partnerships have remained strong all year and parents and families have been invited into classes each term to partake in a range of activities with their children, as well as attending parent share days and workshop events. They've made Christmas crafts, shared favourite stories in class, joined in with parties and picnics, took part in science themed weeks, attended weekly awards assemblies and learned lots about how to support learning at home through tailored workshops. We cherish and nurture these links with home, seeing them as vital to giving the children the best possible start.

Lots of special visitors have been welcomed into school to add enrichment to the curriculum this year. Each week, a member of the local clergy or local Christian group delivers our Wednesday collective worship session and the children listened to Rob Bouds the local author read his range of stories. We also had a visit from Ozzy the Octopus from Amber Valley School Sports Partnership who gave each child a sports wristband to inspire them to get involved in physical activities.

We've also had experts training the children on bike, fire and rail safety to keep them all happy and safe. Children here love meeting new people and they special visits create memorable experiences for them.

We will finish our amazing year as we started, welcoming in our new children who will start school in September, as well as sadly saying goodbye to our Year 2 leavers who are moving on to pastures new.

All in all, what an exciting and eventful year we've had. If you get the chance to visit us, please do so. We're always excited to welcome visitors to our school and showcase our talents and have nursery and school places to offer. Both Ofsted and Church Inspectors gave high praise for our school in their most recent inspections and we'd like more opportunities to share our good work with you all.

Have a great summer everyone, with love from all at your local Langley Mill Infant School & Nursery.

Miss Scrivens - Headteacher

HELP US AND EARN

Here at Aldercar & Langley Mill Parish Council we are looking for help in distributing this magazine around the Parish. Maybe you can assist?

Are you in a position to deliver, say 600 or more magazines to homes and businesses for us in your spare time? We don't expect you to do it for nothing and will remunerate you at a fair rate for your effort. Presently that rate is 12p for each magazine delivered.

The magazine is published on a quarterly basis (i.e. once every three months) and needs to be distributed to every household and business in the Parish. We print 2,600 of the magazines so there is plenty to go at for anyone interested.

If you can help us, we would provide you with a list of all the addresses we wish you to deliver to along with sufficient magazines.

Speed is of the essence for us when distributing the magazine, so we insist that all magazines are distributed within seven days of publication. We would make you aware when the magazines are at the Council office ready for you to collect and the seven-day timer would start counting down from then.

If you think you've got what it takes to help us out, then please contact the Clerk to the Council, Andrew Sharpe, at the address on page 2.
