5/23 Office Accommodation

Council considered the possible purchase of the old Co-operative building on Station Road, Langley Mill. Having considered the work required and the costs involved it was agreed that this action was not feasible.

However, Council were keen to have permanent accommodation for a Parish Office in an area of the parish where footfall was present and had become aware that 41b Cromford Road had become available for rent at a cost that could be contained within the budget.

Therefore, Council reconvened at 41b Cromford Road, where they viewed the property and **AGREED** a three-year lease with the landlord with a view to opening the office on 1 March 2022.

This decision was **unanimous**.
